Recycling

There are residents coming after hours of the center and disposing of recyclables improperly and also leaving trash. Charlie has called a resident to ask them to please come take care of the recyclables properly during open hours. The residents never showed, the attendants at the recycle center had to take care of it. There needs to be a discussion at the next meeting for a fine structure when residents violate hours and trespass without an attendant there.

Clerk

Tammy Hey motioned to sign the appointment papers for Jeffrey Peterson and Cash Curtis for alternate planning board members, seconded by Jeff Clarke. All in favor.
